CORE COMPETENCIES:

HRI is your partner in Research and Marketing Research solutions. We specialize in creative problem-solving solutions that are able to secure some of the most impossible qualitative and quantitative data in the game. Our research team is not only able to gather information from across the globe but we are excellent at developing surveys that supply the core information that your organization needs to make informed decision.

PRIVATE SECTOR/PRIME SOLUTIONS

If your business is thinking about advertising products or services, allow us, to do the research and help identify the trends first, before investing thousands.

RECRUITING & PROFESSIONAL CONSULTING

The owner of HRI served in the private sector for years before starting her company. Hiring hundreds, exceeding industry goals, researching marketing initiatives, including diversity, and meeting budget objectives. Let us do the same for you.
